

# 5TH GLOBAL WEBINAR CONFERENCE

8TH MAY 2021

3.00 PM - 8.00 PM  
(GMT+8)

*Accredited for:*

**8 CPD Points by Malaysian Medical Association**

Organised by:

Global Futuristic Management Services

Official website and online registration:  
[www.penangmskrad.com](http://www.penangmskrad.com)

## Topic 1: Imaging in Brain Infections

- Systematic review of imaging in CNS infections
- New Emerging CNS infections
- Introduce diagnostic algorithm for CNS infections
- Discuss imaging features in CNS vasculitis

## Topic 2 : Stroke Imaging Updates

- Pathophysiology of stroke
- Imaging rationale and Acute Stroke Activation Workflow
- Discuss Neuroimaging findings in Acute Stroke
- Multiphasic CT angiography and collateral circulation
- Stroke Mimics

## Topic 3 : Role of injectables tertiary referral in joint pathology such as painful tendinosis, partial tendon and ligament tears - 2 year personal experience

- An introduction to common joint and muscle injectables and their indications eg PRP, prolotherapy, steroid etc.
- What is PRP? How does it work? How is PRP prepared?
- Important aspects of administration of these injectables to ensure best outcome
- Outcomes of above injections based on actual 2 year personal experience

## Topic 4 : Facial and Body Contouring Surgery

- Face and neck (facelift, neck lift, brow lift)
- Eyelids, nose, cheek, chin (, eyelid lift, chin/cheek/nose augmentation & reduction)
- Breasts (breast lift/mastopexy, breast reduction/mammoplasty, breast augmentation)
- Abdomen (abdominoplasty, liposuction)
- Limbs (arm lift/brachioplasty, thigh lift, liposuction)

## Topic 5 : Requesting Musculoskeletal Ultrasound vs MRI in modern practice for accurate Orthopaedic diagnosis

- Understanding the huge shift from ordering MRI for superficial ligaments and tendon to requesting or performing musculoskeletal ultrasound.
- Common indications for musculoskeletal ultrasound today with actual videos of normal and pathology of the above.
- Common indications for musculoskeletal MRI today and actual videos of MRI of normal and pathology of the above.
- Purchasing an ultrasound for musculoskeletal use – entry level , optimisation and care of ultrasound equipment.

**8th May 2021 · Saturday · 3pm-8pm (Malaysia/Singapore)**  
**5th Global Webinar Conference**

2.30 pm	Log on for webinar and briefing session.
3.00 pm	Imaging in brain infections by Dr. Parag Ratnakar Salkade.
4.00 pm	Stroke Imaging Updates by Dr. Parag Ratnakar Salkade.
5.00 pm	Role of Injectables tertiary referral in joint pathology such as painful tendinosis, partial tendon and ligament tears - 2 year personal experience by Prof. Dr. John George.
6.00 pm	Facial and body countouring surgery by Dr. Mohamad Nasir Zahari.
7.00 pm	Requesting Musculoskeletal Ultrasound vs. MRI in modern practice for accurate Orthopaedic diagnosis by Prof. Dr. John George
8.00 pm	Close of session.

### **Professor Dr. John George**

Prof. Dr. John George is the Consultant MSK Radiologist at the National Sports Institute of Malaysia and at the Orthopaedic Diagnostic and Regenerative Centre at Beverly Wilshire Medical Centre where his focus is giving regenerative injections of the joint such as steroid, PRP, dextrose prolotherapy, and some limited experience with MSC.

He was formerly the Chief Musculoskeletal Radiologist at the Department of Biomedical Imaging, Faculty of Medicine, University of Malaya, Malaysia and has over 22 years of Experience in Musculoskeletal Radiology. He is regarded as an expert in Musculoskeletal MRI & Ultrasound, having done more than 5000 MRI and 3000 MSK Ultrasound cases.

He is also an international Course Director and Demonstrator for Musculoskeletal MRI and Ultrasound and has trained over 1000 doctors to date. Many find his style of teaching easy to understand and can appreciate even complex topics in MSK MRI and Ultrasound. He has given more than 220 international and local presentations.

He now lectures internationally on his experience giving injectables of steroid, PRP, prolotherapy with dextrose and cord derived stem cells for various musculoskeletal indications which have been extremely successful reducing pain and symptoms by 70 % to 100% in actual patients he has injected and followed-up, and having proper rehabilitation.

### **Dr. Parag Ratnakar Salkade**

Dr Parag R Salkade is currently working as a Senior Consultant Radiologist in the Department of Radiology (DoR) at Sengkang General Hospital (SKH), Singapore with subspecialty interest in Neuroradiology, Head and Neck Imaging.

He was one of the pioneer members for planning and commissioning of the new radiology healthcare facility at SKH. He has also published a few radiology related articles in peer-reviewed scientific journals. He is one of the reviewers in Head and Neck imaging section of radiology journals: Annals, Academy of Medicine, Singapore, Acta Radiologica, and European Journal of Radiology.

Previously, Dr. Parag worked as a Consultant at Singapore General Hospital (SGH). In year 2014, he was awarded SingHealth HMDP (Health Manpower Development Plan, under Ministry of Health, Singapore) to pursue his interest in 'Head and Neck Imaging', and went to the Department of Radiology, University of Pennsylvania (UPENN), Philadelphia, USA.

Dr. Parag continues to mentor junior faculty and guide radiology residents in SingHealth Residency, Singapore. His ongoing mission is to prepare the future generation of radiology healthcare professionals and to help pursue their career in Neuroradiology, Head and Neck Imaging as a sub-specialty and nurture their talent as part of multi-disciplinary patient care.

### **Dr. Mohamad Nasir Zahari**

Dr. Nasir is a Plastic Surgeon at Beverly Wilshire Medical Centre and has 25 years of experience in plastic surgery. He was awarded with Bachelor of Medicine and Surgery from University of Melbourne in 1988 and obtained his post graduate degree at The Royal College of Surgeons (FRCS) in Edinburgh (1993). Dr Nasir also obtained the Master of Surgery from University Kebangsaan Malaysia in 1995. He is also a visiting surgeon at Prince Court Medical Centre in Kuala Lumpur.

He is registered with the National Specialist Registry, Academy of Medicine of Malaysia. He is also a member and a board-certified plastic surgeon of the Malaysian Association of Plastic, Aesthetic, and Craniomaxillofacial Surgeons (MAPACS) and a committee member of the Main Credentialing & Privileging Committee on Aesthetic Medical Practice of the Ministry of Health of Malaysia.

He was instrumental in the setting up of burn centres in HUKM and Prince Court Medical Centre and is still very much involved in burns care, as well as treating children with cleft deformities. His main interests in cosmetic surgery are in facial rejuvenation and body contouring surgery in the morbidly obese patients.

## TESTIMONIALS ON PAST WEBINAR

"Very happy and satisfied with the organisers for taking pains to ensure everything went smoothly. The frequent reminders leading to the conference was very useful in ensuring a good turnout. The assistance to acquire the CPD points was also very helpful".

*Dr. Christopher Anthony, Surgeon, Malaysia*

"The session was well-organised and the topics chosen were very relevant, and the selection of speakers was also well-researched. The whole session was well-coordinated by the organizers".

*Dato' Dr. Noorul Ameen, General Practitioner, Malaysia*

"Congratulations to the organising committee for an excellent session. Hope to see more webinars in the future. The moderator was an excellent host. Thank you."

*Dr. Sharifah Mastura, Radiology, Malaysia*

"The lectures were clear and the speakers were well trained in their specific subject and so they were able to provide relevant information in the Q&A sessions".

*Dr. Sathy Ramakrishnan, Pathology, Malaysia*

"In this time of pandemic, it is a relief that we can still learn and gain knowledge in the comforts of our home."

*Dr. Joseph Lagman, Radiology, Philippines*

"We are living in very unusual times. Under such circumstances, Global Futuristic is rendering a yeoman service to the medical community at large by organizing these highly informative webinars, which help us to stay up-to-date with current imaging practices. Salute to you all!"

*Dr. Kolathu Ravi Mandalam, Radiology, Malaysia*

"The conference was very organized. The speakers were excellent."

*Dr. Filipinas Rojo, Radiology, Philippines*

"Well organised and conducted. We had an illuminative evening and enjoyed the lesson."

*Dr. Mohan Dhas, General Practitioner, Malaysia*

# REGISTRATION FEES & PAYMENT

## Webinar Fees:

Registration Rate	Early Bird Rate (Valid till 15th April 2021)	Standard Rate (After 15th April 2021)
5th Global Webinar Conference	USD 55 (RM 220)	USD 70 (RM 280)

## Package Offers:

Package Rate	Early Bird Package (Valid till 15th February 2021)	Standard Package (After 15th February 2021)
One Webinar	USD 55 (RM 220)	USD 70 (RM 280)
Two Webinars	USD 95 (RM 380) USD 47.5 / webinar	USD 107 (RM 430) USD 53.5 / webinar
Three Webinars	USD 132 (RM 530) USD 44 / webinar	USD 145 (RM 580) USD 48 / webinar

\*Details on our other webinars are available at [www.penangmskrad.com](http://www.penangmskrad.com).

## Who should attend?

All healthcare practitioners including GP's, Specialists and Allied Health Professionals.

## Registration:

Registration for this webinar is via online at [www.penangmskrad.com](http://www.penangmskrad.com). Upon submitting the online registration form, kindly proceed to make payment via the website. The closing date for registrations is on the 3rd of May 2021 OR upon hitting 100 registrations, whichever comes first. Kindly note that a credit card payment gateway has been set up on the website for ease of payment and payment will be quoted in Malaysian ringgit.

## Acceptance & Placement:

All participants must send us the proof of payment within 48 hours of making payment. Kindly email proof of payment to [globalfuturistic@gmail.com](mailto:globalfuturistic@gmail.com) along with your name as per registration. Upon receipt of payment into our account, an e-receipt will be sent to your email within three days, followed by webinar login instructions closer to the event date. Please note that login details are unique for each registrant and only valid for one person and one device.

## Certificate of Participation:

A certificate of participation for 8 CPD Points will be issued to each participant within one week following the event. The certificate will be sent to the participant via email as a printable signed PDF.

## CPD Accreditation:

This webinar is accredited 8 CPD Points by Malaysian Medical Association.

## Terms & Conditions:

1. This is a Live Webinar training airing from Malaysia on Sat, 8th of May 2021, 3pm-8pm (GMT+8). All participants should avail themselves at this date and time to participate and to receive a certificate of participation.
2. The number of webinar participants is limited to 100 pax. Registrations are processed in the order of payment received. Non payment of fees in a timely manner could result in loss of place on the webinar.
3. A confirmation of placement at the webinar is upon receipt of an electronic receipt. If you do not receive this document within the duration of three days, kindly email the secretariat immediately to check on your status.
4. Kindly email the secretariat with proof of transaction upon making payment so that the secretariat is able to identify your payment. Failure to do so might cause your payment to be attributed to another delegate instead.
5. Due to potential copyright infringements, the organiser is unable to share recordings of the webinar post-event.
6. A non-refundable policy applies to the webinar registration fees due to low fees. Registration transfers are however permitted.
7. The programme may be subject to change without prior notice and will be updated continuously up to the webinar date.
8. In the event that the webinar is cancelled by the organizer due to unforeseen circumstances, another webinar will be arranged at the next convenient date and your registrations automatically transferred to the new date.
9. The current capacity of the webinar is 100 pax. Depending on the response, the organizer reserves the right to increase or decrease the capacity of the webinar.
10. The organizer and official partners reserve the right to record, store, collect, use and process participant information for purposes relating to but not limited to contacting you, conducting this webinar and updating you on future events.
11. All webinar content is considered copyright of Global Futuristic Management Services and is strictly for single person viewing per registration payment. Recording of the webinar or sharing of any webinar material via any means is strictly not allowed and anyone found in violation will be fined.
12. The organizer is not responsible for any damage to or loss of data on your computer system, network or server that results from the usage of the webinar platform or from the download of any materials made available during the training session.
13. The organizer, while having done their due diligence to select the most stable webinar platform, cannot promise that sessions will be uninterrupted or error free due to circumstances beyond our control from the host server or problems at your server level, i.e. user internet bandwidth, poor weather, etc. As the cost of the registration is minimal, there will be no refunds should 80% of the participants report none or minimal problems with the transmission.
14. The organizer reserves the right to change or modify any of the terms and conditions above. In the event that any changes are made, the revised terms and conditions shall be posted on the website immediately. Please check the latest information posted herein to inform yourself of any changes.
